4.2	·				
5.	Treasurer's Report – Bill Blackburn				
5.1	a) Accountancy				
	There was a refund of VAT totalling £618.30 for Q2 (June-August). MLA Accountants are in the process of obtaining details of the Club's Accounts from Aston Shaw prior to issue of a 'Letter of Engagement' to the Club, together with notification to HMRC of change of accountants.				
5.2	<b>b) FIT Payment</b> For the period 1 <sup>st</sup> June–31 <sup>st</sup> August the Solar Panel Installation generated 16,300 units with a value of £2,807. This brings the income since installation in September 2015 to £49,242, thus exceeding the net installation cost (£46,956) after nine years, by £2,287.				
5.3	c) The Bar The Bar made a net loss of £346 in September, cancelling out the net profit of £309 in August. Expenses in September were £1,125 more than in August, whilst Sales only increased by £470. The increased expenditure was due mainly to enhanced employment costs arising from the number of staff holidays taken. This YTD is, however, still positive, currently standing at £205.				
5.4	d) Income / Expenditure Summary Income in September was boosted not only by subscriptions becoming due but also in sales of Tokens at the commencement of the new indoor season, whilst the VAT refund and FIT payment previously mentioned were also credited to the account. Net Income (£26,740) exceeded Expenditure (£10,678) by £16,062, resulting in the YTD figure showing a credit, all be it small at £116., for the first time in the current year.				
5.5	The Bank Balance at 30 <sup>th</sup> September, allowing for payments pending and adjusted to include final income for the month, credited to the account on 1 <sup>st</sup> October, was £26,955.09.  — Treasurer requested the Management Team to continue to make no <b>unauthorised</b> purchases.				

## 6. **Bowls Secretary's Report – Jean Webb**

#### 6.1 **Bowls Committee**

Since our last meeting the Bowls Committee has once on 12th September. At this meeting the following was discussed and agreed:

- Clarification of the dress code for Club Competition Finals.
- Tighten up on overseeing un-played games and apply rules as necessary.
- Next season 2025/26 restrict number of times each team plays each other to a maximum of 4 times.
- To look at ways to rejuvenate the Carters Shield (formerly Top Team).

### 6.2 Outdoor Bowls

Age Concern team lost all 3 games played on finals day.

Ashill & District Mixed Triples team finished 3rd in Division One.

Entries have been submitted for Men's Norfolk Bowls Association league and competitions for 2025. Provisionally, Wymondham A has been placed in the Central Zone and Wymondham B staying in the South zone, this will be confirmed once all entries have been submitted on 15<sup>th</sup> November.

## 6.3 Indoor Bowls

Domestic leagues are underway and already there have been a number of postponements.

All the teams in the County Leagues have had good wins in their games so far.

Both the Men's A and B O60 teams have played and won their first games in the National competition. The Men lost in the Denny Cup and will now play in the Plate.

- The ipads used to enter the league results have been tampered with, one now keeps timing out and the other one needs to be reset. The PC on the concourse can be used to enter results by going into the tab marked input scores. When time permits these will be looked at, but does tend to be a time consuming task.
- Received an invoice for £538.25 from the Norfolk County Indoor Bowling Association for the Men's annual subscriptions & fees. This has been passed to the Treasurer to pay direct by 20<sup>th</sup> November.
- 6.6 Sandy Hinton is again running a coffee morning on the last Friday of each month for members to meet and socialise.
  - Concern was voiced on the domestic league schedule this year
  - Fees for un-played games are still outstanding. Treasurer to issue invoices.

## 7. Sub-Committee Reports: -

- 7.1.1 The contract with Dales for the indoor carpet includes one more stretch.
- 7.1.2 The company Panks have been in to drain the outdoor irrigation system and shut it down for the winter.
