

Norfolk Ladies Bowls Association.

October 2025

Our Thanks.

Good day to you all. As the season comes to a close with the AGM on Monday 10th November 2025 we would like to thank everyone who has played a part in 2025. it is important that we recognise the work which goes on within the Clubs and the County. From players, to administrators, to groundsmen , donation of raffle prizes and those providing refreshments, the list goes on to make a successful Club and County.

Many people work tirelessly in the background enabling everything to hopefully runs smoothly.

Bowler of the Year.

Congratulations to Jackie Devitt who won the Jayne Roylance Norfolk Bowler of the Year Trophy. It was presented by Mrs Christine Webb .

World Cup 2025.

We would like to send our best wishes to Katherine Rednall who will be representing England in the inaugural Bowls World Cup in November. This will take place in Kuala Lumpur, Malaysia. Alongside, Katherine will be Emily Kernick from Warwickshire, Sam Tolchard and Jamie Walker both from Devon.

New website.

Plans for the new website are taking place. The design for the front page is being undertaken by a Web design company based in Wymondham, Spider IT and the competitions page by Bowlr which many of you will be familiar with. It is used to enter National competitions via the Bowls England and EIBA websites.

Meetings with all parties have been held with follow up discussion between the men and ladies.

The cost is being met by both ladies and men proportionately.

It is hoped to have the system for entering competitions up and running by December. All entries will be done via the Bowlr page on the new website.

The front page will be work in progress throughout the winter and next summer. We hope to have a news page where all up-to-date information will appear.

World Bowls Championships 2026.

Congratulations to Katherine once again, on her qualification for the Ladies Match play event at Potters Resort, Hopton on Sea. Hoping for yet another title.

Wanted.

Mrs Edna Mayhew has been nominated for Junior Vice President for 2026. We will not have a Senior Vice President for next year.

However we will need another one for 2027! Please have a think about beginning the journey to becoming County President.

If you are interested please get in touch for more information.

Good luck to all playing indoors this year.

We will try to continue to keep you up dated with any important information throughout the winter.
